International Relations is explicitly pluralist in outlook. Editorial policy favours variety in both subject-matter and method, at a time when so many academic journals are increasingly

specialised in scope, and sectarian in approach.

International Relations: SAGE Journals

International relations (IR) is the study of relationships among the actors of international politics. Such actors include nation-states, international organizations, nongovernmental organizations, and multinational corporations. The field is also sometimes called international politics, international studies, or international affairs. In the United States, IR is a branch of political science, while it is considered its own interdisciplinary field in the European and British academy.
