A Critical History of Greek Philosophy (Greek History ...

The critical philosophy (German: kritische Philosophie) movement, attributed to Immanuel Kant (1724-1802), sees the primary task of philosophy as criticism

rather than justification of knowledge.

Criticism, for Kant, meant judging as to the possibilities of knowledge before advancing to knowledge itself (from the Greek *kritike* (techne), or "art of judgment").

Philosophy of history is the philosophical study of history and its discipline. The term was coined by French philosopher Voltaire. In contemporary

philosophy a distinction has developed between speculative philosophy of history and critical philosophy of history, now referred to as analytic. The former questions the meaning and purpose of the historical process whereas the latter studies the foundations and implications of history and the historical method. The names of these are derived from C
