This approach recognises each person has a skill or asset to give and draws upon existing strengths to build a stronger community through social connection, empowerment and the exchange of skills and assets.

Asset Based Community Development

Asset-based community-driven development (ABCD) is built on four foundations (Kretzmann, 2010; Kretzmann & McKnight, 1993; Mathie & Cunningham, 2003): It focuses on community assets and strengths rather than problems and needs. It identifies and mobilises individual and community assets, skills and passions. It is relationship driven.

An example of asset-based community development ...

Asset-based: the starting point for ABCD is with what's strong, not what's wrong. Some misunderstand this as an attempt to minimise life's challenges, or normalise injustices, nothing could be further from the truth. ABCD is the process by which relational power is mobilised to produce sustainable and satisfying change.
