Legend of a Suicide *Univ of Massachusetts Press*

"In "Ichthyology," a young boy watches his father spiral from divorce to suicide. The story is told obliquely, often through the boy's observations of his tropical fish, yet also reveals his father's last desperate moves, including quitting dentistry for commercial fishing in the Bering Sea. "Rhoda" goes back to the beginning of the father's second marriage and the boy's fascination with his stepmother, who has one partially closed eye. This eye becomes a metaphor for the adult world the boy can't yet see into, including sexuality and despair, which feel like the key initiating elements of the father's eventual suicide. "A Legend of Good Men" tells the story of the boy's life with his mother after his father's death through the series of men she dates." "In "Sukkwan Island," an extraordinary novella, the father invites the boy homesteading for a year on a remote island in the southeastern Alaskan wilderness. As the situation spins out of control, the son witnesses his father's despair and takes matters into his own hands. In "Ketchikan," the boy is now thirty years old, searching for the origin of ruin. He tracks down Gloria, the woman his father first cheated with, and is left with the sense of "a world held in place, as it turned out, by nothing at all." Set in Fairbanks, where the author's father actually killed himself, "The Higher Blue" provides an epilogue to the collection."--BOOK JACKET.

As the three women plot to confront their larger-than-life nemesis, Atwood proves herself a gleefully acute observer of the treacherous shoals of friendship, trust, desire, and power.

Krauss’s depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss’s stories capture characters at moments in their lives when they’re hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers.” —Molly Antopol, New York Times Book Review “From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction.” —Esquire In one of

her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and new-born babies; young women’s coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss’s stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength.

No novel [this year] has been more satisfying.”—The Wall Street Journal “Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, The Tiger’s Wife is all the more remarkable for being the product not of observation but of imagination.”—The New York Times Book Review “That The Tiger’s Wife never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing.”—The Washington Post

In Dreams Begin Responsibilities and Other Stories *New Directions Publishing*
A new edition of the definitive book on the depression-era immigrant experience in New York City. Now with an exciting new preface by Lou Reed (Delmore Schwartz’s student at Syracuse), In Dreams Begin Responsibilities collects eight of Schwartz’s finest delineations of New York’s intellectuals in the 1930s and 1940s. As no other writer can, Schwartz captures the speech, the generational conflicts, the mocking self-analysis of educated, ambitious, Depression-stymied young people at odds with their immigrant parents. This is the unique American dilemma Irving Howe described as “that interesting point where intellectual children of immigrant Jews are finding their way into the larger world while casting uneasy, rueful glances over their backs.” Afterwords by James Atlas and Irving Howe place the stories in their historical and cultural setting.

Leave Society *Vintage*
From the acclaimed author of Taipei, a bold portrait of a writer working to balance all his lives—artist, son, loner—as he spins the ordinary into something monumental. An engrossing, hopeful novel about life, fiction, and where the two blur together. In 2014, a novelist named Li leaves Manhattan to visit his parents in Taipei for ten weeks. He doesn't know it yet, but his life will begin to deepen and complexify on this trip. As he flies between these two worlds--year by year,

over four years--he will flit in and out of optimism, despair, loneliness, sanity, bouts of chronic pain, and drafts of a new book. He will incite and temper arguments, uncover secrets about nature and history, and try to understand how to live a meaningful life as an artist and a son. But how to fit these pieces of his life together? Where to begin? Or should he leave society altogether? Exploring everyday events and scenes--waiting rooms, dog walks, family meals--while investigatively venturing to the edges of society, where culture dissolves into mystery, Lin shows what it is to write a novel in real time. Illuminating and deeply felt, as it builds toward a stunning, if unexpected, romance, Leave Society is a masterly story about life and art at the end of history. A VINTAGE ORIGINAL

Mean Season *Harlequin*
What would you do if a movie star was living under your roof? Prepping for his new movie in the tiny town of Pinecob, West Virginia, up-and-coming actor Joshua Reed lands himself another drunk-driving conviction, this time involving a stolen limo, a dark country road and a cow. Rather than let him rot in jail for the summer, twenty-five-year-old Leanne Gitlin, his fan club president, agrees to vouch for him so he can serve out his sentence under house arrest. In her home. But playing the gracious guest isn't in Joshua Reed's repertoire. And while everyone in town is thinking up excuses to drop by the Gitlin house, Leanne quickly finds herself counting the days until her famous visitor leaves. Leanne, the youngest of five, watched her family fall apart and dutifully stayed put to help her mother pick up the pieces. Stuck in Pinecob, she was itching for something new, but Joshua Reed's media circus isn't quite what she had in mind. In a debut novel as endearing as it is wise, Heather Cochran has whipped up one season the town of Pinecob won't soon forget.

The Early Stories

1953-1975 *Random House*
Winner of the PEN/Faulkner Award for Fiction A harvest and not a winnowing, this volume collects 103 stories, almost all of the short fiction that John Updike wrote between 1953 and 1975. “How rarely it can be said of any of our great American writers that they have been equally gifted in both long and short forms,” reads the citation composed for John Updike upon his winning the 2006 Rea Award for the Short Story. “Contemplating John Updike’s monumental achievement in the short story, one is moved to think of Nathaniel Hawthorne, Henry James, Ernest Hemingway, and perhaps William Faulkner—writers whose reputations would be as considerable, or nearly, if short stories had been all that they had written. From [his] remarkable early short story collections . . . through his beautifully nuanced stories of family life [and] the bittersweet humors of middle age and beyond . . . John Updike has created a body of work in the notoriously difficult form of the short story to set beside those of these distinguished American predecessors. Congratulations and heartfelt thanks are due to John Updike for having brought such pleasure and such illumination to so many readers for so many years.”

Outline

A Novel *Farrar, Straus and Giroux*
A luminous, powerful novel that establishes Rachel Cusk as one of the finest writers in the English language A man and a woman are seated next to each other on a plane. They get to talking—about their destination, their careers, their families. Grievances are aired, family tragedies discussed, marriages and divorces analyzed. An intimacy is established as two strangers contrast their own fictions about their lives. Rachel Cusk's Outline is a novel in ten conversations. Spare and stark, it follows a novelist teaching a course in creative writing during one oppressively hot summer in Athens. She leads her students in storytelling exercises. She meets other visiting writers for dinner and discourse. She goes swimming in the Ionian Sea with her neighbor from the plane. The people she encounters speak volubly about themselves: their fantasies, anxieties, pet theories, regrets, and longings. And through these disclosures, a portrait of the narrator is drawn by contrast, a portrait of a woman learning to face a great loss. Outline takes a hard look at the things that are hardest to speak about. It brilliantly captures conversations, investigates people's motivations for storytelling, and questions their ability to ever do so honestly or unselfishly. In doing so it bares the deepest impulses behind the craft of fiction writing. This is Rachel Cusk's finest work yet, and one of the most startling, brilliant, original novels of recent years. A Finalist for the Folio Prize, the Goldsmiths Prize, the Scotiabank Giller Prize, and the Baileys Women’s Prize for Fiction One of The New York Times' Top Ten Books of the Year Named a A New York Times Book Review Notable Book and a Best Book of the Year by The New Yorker, Vogue, NPR, The Guardian, The Independent, Glamour, and The Globe and Mail
