Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Staff View: The chicken from Minsk
The Chicken from Minsk provides a selection of these (mainly Russian) problems. They are the result of a collaboration between Yuri Chernyak, a Russian immigrant to the United States who had been an associate professor of physics at Moscow State University, and an American, Robert Rose, professor of material sciences and engineering at MIT.
