Her poetic text encourages readers to confront bias, prejudice, and discrimination and invites readers to reflect and respond with their own answers, while honoring the identities of black and brown children and people of color. Let's Talk about Love

A Journey to the End of Taste

"Non-fans regard Dion as ersatz and plastic, yet to those who love her, no one could be more real, with her impoverished childhood, her (creepy) manager-husband's struggle with cancer, her knack for howling out raw emotion. There's nothing cool about Dion, and nothing clever. That's part of her appeal as an object of love or hatred - with most critics and committed music fans taking pleasure (or at least geeky solace) in their lofty contempt. This book documents Carl Wilson's brave and unprecedented year-long quest to find his inner Dion fan, and explores how we define ourselves in the light of what we call good and bad, what we love and what we hate."--Bloomsbury Publishing.

Let's Talk About Love

Why Other People Have Such Bad Taste *Bloomsbury Publishing USA*

For his 2007 critically acclaimed 33 1/3 series title, Let's Talk About Love, Carl Wilson went on a quest to find his inner Céline Dion fan and explore how we define ourselves by what we call good and bad, what we love and what we hate. At once among the most widely beloved and most reviled and lampooned pop stars of the past few decades, Céline Dion's critics call her mawkish and overblown while millions of fans around the world adore her “huge pipes” and even bigger feelings. How can anyone say which side is right? This new, expanded edition goes even further, calling on thirteen prominent writers and musicians to respond to themes ranging from sentiment and kitsch to cultural capital and musical snobbery. The original text is followed by lively arguments and stories from Nick Hornby, Krist Novoselic, Ann Powers, Mary Gaitskill, James Franco, Sheila Heti and others. In a new afterword, Carl Wilson examines recent cultural changes in love and hate, including the impact of technology and social media on how taste works (or doesn't) in the 21st century.

To Sir Phillip, With Love *Harper Collins*
Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

A Thousand and One Nights *Untreed Reads*
Elle.com described this debut novel as “an alternately hilarious and poignant look at the unsettled state of one woman trying to make it outside the socially sanctioned college-office-marriage trajectory.” Karla, 22, is thrilled to be hired as an entertainer on the Sound of Music cruise ship—where the

rum punch is 80 percent Kool-Aid, the ice sculptures are plastic, and her "fake it till you make it" M.O. seems adventuresome. Karla is less thrilled when new beau Jack suggests they form a singing duo on land, but by now false enthusiasm has become second nature. They embark on a not-as-glamorous-as-it-should-be career performing in the luxury hotel bars of the Middle East and China. After a thousand and one nights on the road, Karla and Jack find themselves struggling to keep their act—both personal and professional—together. “Both an off-kilter take on the conventional coming-of-age tale and a sly commentary on the underbelly of celebrity culture, this truly original book is basically uncategorizable—blissfully so.” - Elle.com

The Comfort Crisis

Embrace Discomfort To Reclaim Your Wild, Happy, Healthy Self *Rodale Books*

“If you've been looking for something different to level up your health, fitness, and personal growth, this is it.”—Melissa Urban, Whole30 CEO and New York Times bestselling author Discover the evolutionary mind and body benefits of living at the edges of your comfort zone and reconnecting with the wild. In many ways, we're more comfortable than ever before. But could our sheltered, temperature-controlled, overfed, underchallenged lives actually be the leading cause of many our most urgent physical and mental health issues? In this gripping investigation, award-winning journalist Michael Easter seeks out off-the-grid visionaries, disruptive genius researchers, and mind-body conditioning trailblazers who are unlocking the life-enhancing secrets of a counterintuitive solution: discomfort. Easter’s journey to understand our evolutionary need to be challenged takes him to meet the NBA’s top exercise scientist, who uses an ancient Japanese practice to build championship athletes; to the mystical country of Bhutan, where an Oxford economist and Buddhist leader are showing the world what death can teach us about happiness; to the outdoor lab of a young neuroscientist who’s found that nature tests our physical and mental endurance in ways that expand creativity while taming burnout and anxiety; to the remote Alaskan backcountry on a demanding thirty-three-day hunting expedition to experience the rewilding secrets of one of the last rugged places on Earth; and more. Along the way, Easter uncovers a blueprint for leveraging the power of discomfort that will dramatically improve our health and happiness, and perhaps even help us understand what it means to be human. The Comfort Crisis is a bold call to break out of your comfort zone and

explore the wild within yourself.
