Water On Sand Environmental Histories

From Morocco to Iran and the Black Sea to the Red, Water on Sand rewrites the history of the Middle East and North Africa from the Little Ice Age to the Cold War era. As the first holistic environmental history of the region, it shows the intimate connections between peoples and environments and how these relationships shaped political, economic, and social history in startling and unforeseen ways.

Water on Sand: Environmental Histories Of The Middle East ...

This book is a holistic environmental history of the Middle East and North Africa over the last half millennium. It shows how the intimate connections between peoples and environments shaped political, economic, and social history in startling and often unforeseen ways. Nearly all political powers in the region based their rule on the management and control of natural resources, and nearly all individuals were in constant communion with the natural world.
