Today Im Alice

In Today I'm Alice, she describes her extraordinary journey from a teenage girl battling anorexia and OCD, drowning the voices with alcohol, to a young woman slipping further and further into mental illness. It was only after years lost in institutions that she was correctly diagnosed with multiple personality disorder. When her alternative personalities were revealed in therapy she discovered ...

Today I'm Alice started promisingly, but

had a long period of what I can only describe as 'blah'. The only part of the book I would have found 'shocking' and made the book worth it, I'd had spoiled to me months ago before I even read the book. So there wasn't a lot going for this book really. It was very interesting
