QUESTIONS FOR A
SEPARATE PEACE**

A Separate Peace is a novel told entirely in flashback, by a narrator—Gene Forrester—who is our only source of information regarding

the events that he recounts. As the story develops, the initial trust that exists between reader and narrator gradually frays, as we realize that Gene, while probably not lying about the events of the story, is clearly withholding information about his own motivations for, or reactions to, the deeds of himself and others.
