All the regulatory requirements associated with the handling, clean-up and storage of hazardous materials

(HAZWOPER) are brought together in this reader friendly book. Revisions to this edition include expanded regulations for dealing with an intentional release of a hazardous material in a terrorist incident, as well as pre-emergency plans for hazardous materials operations and response programs needed to effectively deal with natural disasters.

9781418049928: Hazardous Materials: Regulations, Response ...
Hazardous materials response (HAZMAT) team means an organized group of employees, designated by the employer, who are expected to perform work to handle and control actual or potential leaks or spills of hazardous substances requiring possible close approach to the substance. The team members perform

responses to releases or potential releases of hazardous substances for the purpose of control or stabilization of the incident.
