I bought this little

library a few months ago, when I first noticed how much my little girl seems to enjoy watching Sarah and Duck. These are very simple stories about the main characters, and great for little ones (1-2 years). My little girl (now 22 months) wants them read at least once a day, and can even remember the words.

My boys are obsessed with Sarah and Duck so this little set was a perfect addition to our book collection. As an added bonus, the covers of all four books make up a little puzzle, which they loved as well. Only thing I wish I had noticed first was how TINY they are. They are little picket sized books, not your typical board book size.
