Shanghai Gone

Domicide And Defiance

This compelling book is the first to apply the concept of domicile-the eradication of a home against the will of its dwellers-to the sweeping destruction of neighborhoods, families, and life patterns to make way for the new Shanghai. Here we find the holdouts and protesters, men and women who have stubbornly resisted domicile and demanded justice.

Focusing on domicile and defiance as the two main analytical categories, Shao carefully constructs a narrative that is both particular in the biographies of the victims of urban redevelopment, as it is also general in documenting the widespread practices of intimidation and lack of regard for the rule of law. Most importantly, however, the analysis of resistance allows the book to transcend a mere cataloguing of injustice.

Shanghai, especially
that of the forced
eviction or
domicide—"the
planned, deliberate
destruction of home
causing suffering to the
dweller," as Douglas
Porteous and Sandra
Smith defined it in their
2001 book, *Domicide:
the Global Destruction
of Home*. The project
dealt with a host of
issues that challenged
the Chinese
government's policies
and regulations.
