Regular 5W30 oil will
work just fine in the '03
CTS. Your owners
manual will tell you to
stay away from any
other viscosity (5W20,
10W30, etc) because
they will be either too
thick or too thin. It
does not require
synthetic as it is
equipped with a 3.2
liter engine that was
more or less derived
from the Catera, but
just didn't break as
much.
