to the TV with the antenna cable. 2 If you are using an active indoor antenna, make sure the antenna power is switched on. 3 Switch on the TV, and scan the Digital TV channels by following the on-screen instructions or via the TV menu.

Digital TV

The digital switchover is the process by which analogue terrestrial television in the United Kingdom was replaced with digital terrestrial television. It is sometimes referred to as the "analogue switch off". In the United Kingdom, the terrestrial switchover started on 17 October 2007 and was completed on 24 October 2012. Each group of transmitters within each TV region had its analogue broadcasts switched off at a certain point between those dates. The process was co-ordinated by an independent
