Materia Medica: In the Library of the Swedish ...

Materia medica is a Latin term from the history of pharmacy for the body of collected knowledge about the therapeutic properties of any substance used for healing. The term derives from the title of a work by the Ancient Greek physician Pedanius Dioscorides in the 1st century AD, *De materia medica*, 'On medical material'. The term *materia medica* was used from the period of the Roman Empire until the 20th century, but has now been generally replaced in medical education contexts by the term *pharma*
