When you warned me
not to throw your love
away If you could only
see me now Goodbye
is not so easy now The
freedom that I walked
away to gain Is nothing
but these chains I know
your heart would break
If you could hear me
now Your heart would
come undone If you
could hear me once

Hoping love will bring
you back If only you
could see me now
[Bridge] Like the lonely
moon You see above
That sails the dark
alone Forever

If you could see me
now You know how
blue I've been One look
is all you need to see
the mood I'm in
Perhaps then you'd
realize I'm still in love
with you If you could
see me now You'll find
me being grave And
trying awfully hard to
make my tears behave
But that's quite
impossible I'm still in
love with you You
halfen my way and
some memorable day
