The Making of Americans: Being a History of a Family's Progress is a modernist novel by Gertrude Stein. The novel traces the genealogy, history, and psychological development of members of the fictional Hersland and Dehning families. Stein also includes frequent metafictional meditations on the process of writing the text that periodically overtake the main narrative.

The Making of Americans, novel by Gertrude Stein, completed in 1911 and considered to be one of Stein’s major works. The novel was not published in book form until 1925 because of its lengthiness and experimental style. The Making of Americans lacks plot, dialogue, and action. Subtitled Being a History of a Family’s Progress, the work is ostensibly a history of three generations of Stein’s forebears, the Dehning and Hersland families.

Gertrude Stein’s The Making of Americans (1925) By Nava Atlas | On August 1, 2019 | Comments (0) In 1925, Gertrude Stein’s The Making of Americans: Being a History of a Family’s Progress was published, though the author had finished it many years earlier. It was quite a task to find a publisher for it, and so it languished until the inscrutable author had her first major commercial success with The Autobiography of Alice B. ### The Making of Americans

The Making of Americans is more of an experiment than a novel. Gertrude Stein attempts to psychoanalyze all of her characters by not just explaining their parent's personalities, but also their grandparent's personalities. It's an interesting approach, but combined with Stein's repetitious style of writing, it becomes extremely tedious.

Tender Buttons, Gertrude Stein’s collection of experimental still-life word portraits split into the categories of objects, food, and rooms, and which—excluding a vanity publication in 1909, which she paid for herself—was the first of Stein’s work to be published in the United States. Stein had hoped that this enigmatic little book would be her big break, the thing to convince the American people of her genius.
