The Greatest Salesman in the World *Bantam*

The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. “Every sales manager should read The Greatest Salesman in the World. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in The Greatest Salesman in the World. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by The Greatest Salesman in the World. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky

The Greatest Salesman In The World *Jaico Publishing House*

Each generation produces its "literature of power." This type of writing literally has the power to change the reader's life. In this tradition. In The Greatest Salesman In The World is destined to influence countless lives. Here is the legend of Hafid, a camel boy of two thousand years ago, and his burning desire to improve his lowly position in life. To prove his potential ability, he is dispatched from Bethlehem by his master, the great caravan merchant, Pathros, to sell only one robe. He fails and instead, in a moment of pity, gives the robe to warm a newborn baby in a cave near the inn. Hafid returns to the caravan in shame but is accompanied by a bright star shining above his head. This phenomenon is interpreted by Pathros to be a sign from the gods, and he gives Hafid ten ancient scrolls, which contain the wisdom necessary for the boy to achieve all his ambitions.

The Choice

A Surprising New Message of Hope *Bantam*

Choice! The key is Choice. You have options. You need not spend your life wallowing in failure, ignorance, grief, poverty, shame, and self-pity. But, hold on! If this is true then why have so many among us apparently elected to live in that manner? The answer is obvious. Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices !

A Better Way to Live

Og Mandino's Own Personal Story of Success Featuring 17 Rules to Live By *Bantam*

The author recounts his descent into despair and his discovery of spiritual nourishment in the works of Aristotle, Emerson, Ben Franklin, and Plato, and enumerates the seventeen rules that helped transform his life. Og Mandino was one of the leading inspirational authors in the world. But once, he was a thirty-five-year-old derelict who nearly spent his last few dollars on a suicide gun. In A Better Way to Live, he describes the joyously redemptive process that turned a down-and-out alcoholic into a millionaire and a happy man within ten years. Og Mandino is the only person who could tell this heartwarming tale of personal triumph—because it is his own true story. And it can profoundly influence your life. Here are the principles that turned Og Mandino's life around: his seventeen "Rules to Live By." These simple, easy-to-follow rules comprise a sound, wise prescription for inner growth and for a fulfilling everyday life that will work for you—just as it worked for Og Mandino. You can avoid spending even one more day feeling failure, grief, poverty, shame, or self-pity. Here is a better way to live: a way that literally saved Og Mandino's life, a way that can help make your dreams come true.

The Automatic Millionaire: Canadian Edition

A Powerful One-Step Plan to Live and Finish Rich *Doubleday Canada*

Internationally bestselling financial advisor David Bach’s Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he’s a low-level manager, she’s a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “automating” the way to wealth by “paying yourself first,” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that’s a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

Greatest Mystery in the World *Fawcett*

Start today to transform your dreams into wonderful reality. . . . Simon Potter was a "ragpicker" and salvager of human lives. When this wise and humble man departed from life, he left author Og Mandino a precious legacy: the distilled wisdom of his unique collection of the greatest books about self-motivation and success--books he called "hand of God" books because they seemed to have been written with God's hand guiding the author's own. In this tender and inspiring book, Og shares with his millions of readers his old friend's bequest. It is nothing less than a blueprint for success, telling us in plain language exactly what we must do to mount the seven rungs of life's ladder--from material achievement and worldly success to the highest spiritual development. Whatever your most cherished dream may be, Og and his good angel Simon will show you the way to bring it within reach.

Scrum

The Art of Doing Twice the Work in Half the Time *Currency*

For those who believe that there must be a more agile and efficient way for people to get things done, here is a brilliantly discursive, thought-provoking book about the leadership and management process that is changing the way we live. In the future, historians may look back on human progress and draw a sharp line designating “before Scrum” and “after Scrum.” Scrum is that ground-breaking. It already drives most of the world’s top technology companies. And now it’s starting to spread to every domain where leaders wrestle with complex projects. If you’ve ever been startled by how fast the world is changing, Scrum is one of the reasons why. Productivity gains of as much as 1200% have been recorded, and there’s no more lucid – or compelling – explainer of Scrum and its bright promise than Jeff Sutherland, the man who put together the first Scrum team more than twenty years ago. The thorny problem Jeff began tackling back then boils down to this: people are spectacularly bad at doing things with agility and efficiency. Best laid plans go up in smoke. Teams often work at cross purposes to each other. And when the pressure rises, unhappiness soars. Drawing on his experience as a West Point-educated fighter pilot, biometrics expert, early innovator of ATM technology, and V.P. of engineering or CTO at eleven different technology companies, Jeff began challenging those dysfunctional realities, looking for solutions that would have global impact. In this book you’ll journey to Scrum’s front lines where Jeff’s system of deep accountability, team interaction, and constant iterative improvement is, among other feats, bringing the FBI into the 21st century, perfecting the design of an affordable 140 mile per hour/100 mile per gallon car, helping NPR report fast-moving action in the Middle East, changing the way pharmacists interact with patients, reducing poverty in the Third World, and even helping people plan their weddings and accomplish weekend chores. Woven with insights from martial arts, judicial decision making, advanced aerial combat, robotics, and many other disciplines, Scrum is consistently riveting. But the most important reason to read this book is that it may just help you achieve what others consider unachievable – whether it be inventing a trailblazing technology, devising a new system of education, pioneering a way to feed the hungry, or, closer to home, a building a foundation for your family to thrive and prosper.

The Birth of a Brand

Launching Your Entrepreneurial Passion and Soul *Simon and Schuster*
From baby steps to giant leaps, let Brian Smith, entrepreneurial guru and founder of UGG, mentor and teach you the secret to successful brand creation. “You can’t give birth to adults,” writes Ugg founder Brian Smith. “The same thinking applies to creating a business.” Before UGG became one of America's most beloved brands, lifelong surfer Brian Smith was leading a life of quiet desperation as an accountant. Then one day, the overwhelming feeling that he’d missed the starting gun to life hit him over the head like a tidal wave, so he pulled himself up by his bootstraps and got to work. What came next was the adventure of a lifetime that turned a pair of sheepskin boots into an international phenom and brand. Now Brian is sharing how he got it done. Using the wisdom of hindsight, he reveals the clear business practices and spiritual truths that he discovered and honed along his path to success. Written with refreshing candor and camaraderie, seasoned with time-worn knowledge and perspective, The Birth of a Brand is for anyone interested a joyful, genuine, spiritual life while and still be wildly successful in their professional life at the same time. In business, just as in life, we have to crawl before we can leap into success. The worst thing to do is stand still.
