Using the Energy of Money. To use the energy of money successfully, you need to operate in both physical reality and the metaphysical reality made up of,

among other things, dreams, visions, and your Life's Intentions. Our inner visions inspire us, but we can't be content merely to "metafizzle" our ideas without taking any action in the real world.

The essence of the message is that money is unlimited and available to all of us through love and enjoyment. It isn't sinful or negative in any way and a true understanding of money is a path to freedom, happiness and prosperity. The irony was that I had no money at all when I wrote the book.

**The Energy of Money | Sarah McCrum | The Spirit of Generosity**  
Money is an expression of energy and

we use it to support our life. Consciousness is the awareness and internal knowing of thoughts, feelings and experiences. When money is earned, spent, saved and given consciously, it reflects what we value most. It becomes an intuitive gauge for who we are, what we stand for and where we are headed.
