The Heiress HarperCollins

"Greeley’s storytelling is intricate, masterly, and delightfully imaginative. Highly recommended."—Library Journal (starred review) In this gorgeously written and spellbinding historical novel based on Pride and Prejudice, the author of The Clergyman’s Wife combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley and Rosings. But

Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn’t truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a “season” in society and the complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne’s fortune . . . and her life. An extraordinary tale of one woman’s liberation, *The Heiress* reveals both the darkness and light in Austen’s world, with wit, sensuality, and a deeply compassionate understanding of the human heart.

The Mahzur *Lieper Publication*

‘It isn’t enticing enough if it isn’t forbidden.’ Humanity has sworn by this dictum since eons. Aren’t we here as a testimony to the first sin ever committed by Man? How can Sin be sacred? How can anything related to life remotely be connected to sanctity and yet we swear by Sanctity as well. For years, the conflict is manifest and for years, unresolved. Somewhere between the promise of resurrection and eternal damnation, we exist as a race tugged towards both good and bad by a thin thread of belief. Satan in one minute and angel in another, we defy all logic when it comes to tasting the forbidden fruit. What is so tantalizing about it is the same thing that makes it unforgiving, its soul! And in the end it hurts, it leads to bloodshed, it kills and it destroys. It leaves us vulnerable to damage and then the perdition never ends. ‘The Mahzur,’ reminds you of a simple fact, If it is forbidden, It will Bleed.. The Al Nafud is not just another desert. It is an amalgamation of poetry and music in the right proportions but it has a heart of stone under that soft burnished gold skin. The sand dunes sing to your call as if a dozen tubas are blown in unison but it isn’t a song for the faint of heart. It is unforgiving. Sarah, the lovely daughter of the Al Janubis is engaged to be married to another man but this doesn’t deter Ahmed from falling for a woman whose clan he has abhorred all his life. And when kismet trudges them towards an unlikely path through its bosom, does the Nafud forgive them for this mistake or does it unleash a fury unheard of in Janub as Sehra, their native land? I bring to you a love story from the wildest and the most beautiful desert of the Middle East. It is a story of love and loss for where there is great love, the loss, invariably is greater.

Rules get shattered. Love gets ugly.

Peace Like a River *Grove/Atlantic, Inc.*

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).

An in-depth celebration of the romantic comedy’s modern golden era and its role in our culture, tracking the genre from its heyday in the ’80s and the ’90s, its unfortunate decline in the 2000s, and its explosive reemergence in the age of streaming, featuring exclusive interviews with the directors, writers, and stars of the iconic films that defined the genre. No Hollywood genre has been more misunderstood—or more unfairly under-appreciated—than the romantic comedy. Funny, charming, and reliably crowd-pleasing, rom-coms were the essential backbone of the Hollywood landscape, launching the careers of many of Hollywood’s most talented actors and filmmakers, such as Julia Roberts and Matthew McConaughey, and providing many of the yet limited creative opportunities women had in Hollywood. But despite—or perhaps because of—all that, the rom-com has routinely been overlooked by the Academy Awards or snobbishly dismissed by critics. In From Hollywood with Love, culture writer and GQ contributor Scott Meslow seeks to right this wrong, celebrating and analyzing rom-coms with the appreciative, insightful critical lens they’ve always deserved. Beginning with the golden era of the romantic comedy—spanning from the late ’80s to the mid-’00s with the breakthrough of films such as When Harry Met Sally—to the rise of streaming and the long-overdue push for diversity setting the course for films such as the groundbreaking, franchise-spawning Crazy Rich Asians, Meslow examines the evolution of the genre through its many iterations, from its establishment of new tropes, the Austen and Shakespeare rewrites, the many love triangles, and even the occasional brave decision to do away with the happily ever after. Featuring original black-and-white sketches of iconic movie scenes and exclusive interviews with the actors and filmmakers behind our most beloved rom-coms, From Hollywood with Love constructs oral histories of our most celebrated romantic comedies, for an informed and entertaining look at Hollywood’s beloved yet most under-appreciated genre.
