Affirmative Action And Racial Preference

The underlying premise of all of Wise's arguments is that there has always been a system of "affirmative action" for whites in virtually all areas of life: housing, schooling, and employment; and until this "affirmative action" ceases to be in place, the affirmative action in response to the racism plaguing this society must remain in place, not only for the benefit of blacks, but for the benefit of a just, right-thinking society at large.
