Update on EPUB and DPS, Single Edition. When Adobe first created DPS, Single Edition, in 2011, it was our best available option for individuals who wanted to create books, portfolios, and

one-off publications in iPad application format. But in the intervening years, we made two important discoveries: The ongoing evolution of e-publishing technologies has inspired many more of our individual design customers to export interactive e-books (EPUBs)—a format that DPS, Single Edition was not ...
