The Treasured One Dreamers 2

The Treasured One is the second book in The Dreamers Series by David Eddings. This series takes place in a new ‘universe’, but the stories feel a lot like Mr. Eddings other books but are my least favourite of his stories. I did enjoy the books, but for me they don’t feel quite as epic as his other reads.

The Treasured One (The Dreamers, #2) by David Eddings

David and Leigh Edding's second book of the Dreamers series, The Treasured One, will be better known as book 1.5 rather than book 2. Easily, two-thirds of the book goes back to the events in book one, The Elder Gods, but through different characters perspectives. Much like the first book of the series, there is a lot of backtracking to help develop and introduce characters into the story.
