The adjective obscure first appears in English about 1425 (if not earlier); the verb appears around the same time.

Obscure | Definition of Obscure at Dictionary.com

Camera obscura, ancestor of the photographic camera. The Latin name means “dark chamber,” and the earliest versions, dating to antiquity, consisted of small darkened rooms with light admitted through a single tiny hole. The result was that an inverted image of the outside scene was cast on the opposite wall, which was usually whitened.
