The Pattern Of The Chinese Past

A satisfactory comprehensive history of the social and economic development of pre-modern China, the largest country in the world in terms of

population, and with a documentary record covering three millennia, is still far from possible. The present work is only an attempt to disengage the major themes that seem to be of relevance to our understanding of China today.

The Willow pattern is a distinctive and elaborate chinoiserie pattern used on ceramic kitchen/housewares. It became popular at the end of the 18th century in England when, in its standard form, it was developed by English ceramic artists combining and adapting motifs inspired by fashionable hand-painted blue-and-white wares imported from China. Its creation occurred at a time when mass-production of decorative tableware, at Stoke-on-Trent and elsewhere,

was already making use of engraved and pri
