When Moral Politics was first published two decades ago, it redefined how Americans think and talk about politics through the lens of cognitive political psychology. Today, George Lakoff's classic text has become all the more relevant, as liberals and conservatives have come to hold even more vigorously opposed views of the world, with the underlying assumptions of their respective worldviews at the level of basic morality.

In Moral Politics, the first full-scale application of cognitive science to politics, George Lakoff analyzes the unconscious worldviews of liberals and conservatives, explaining why they are at odds over so many seemingly unrelated issues-like taxes, abortion, regulation, and social programs. The differences, Lakoff argues, are not mere matters of partisanship, but arise from radically different conceptions of morality and ideal family life-meaning that family and morality are at the heart ...

Moral Politics: How Liberals and Conservatives Think ...

Lakoff describes a basic division in American politics based on an underlying moral framework. He argues that political differences are not about issues and reasoned positions as liberals believe. They are about powerful moral

values that reflect a comprehensive worldview. Political conservatives adhere to a "father figure" model (authoritarian morality). Liberals follow a "mother figure" model (nurturing morality).

Moral Politics : NPR

Moral Politics begins with the argument that differences in political opinion between conservatives and liberals stem from the fact that they attach differently to two central models comprised of beliefs and metaphors about how a person should exist in a socially governed world. Lakoff claims that both

liberals and conservatives understand governance using complex systems of metaphors about the family.

Moral Politics Summary | SuperSummary

Moral Politics: How Liberals and Conservatives Think is a 1996 book by cognitive linguist George Lakoff. It argues that conservatives and liberals hold two different conceptual models of morality. Conservatives have a strict father model in which people are made good through self-discipline and hard work, everyone is taken care of by taking care of themselves. Liberals have a nurturant parent model in which everyone is taken care of by helping each other. The first edition of the book was published
