The cases in this volume have been selected to show the spectrum of acute medicine in older patients. These are often with atypical or non-specific presentations, on a background of complex co-morbidity and the attendant management and ethical dilemmas. The format follows that of other books in the series: case descriptions with questions followed by answers including detailed discussion of ...

...

Oxford University Press is proud to publish the Oxford Case Histories, a series of peer-reviewed cases gathered from the Oxford Hospitals. Sample pilot exit exams have shown a strong bias towards case-based questions. Although 'student-centred learning' is encouraged, until now there are few books available to direct trainees preparing for exit examinations or wishing to undertake case-based learning as part of private study.
