Resolutions of the 74th Session - UN General Assembly

Resolutions and Decisions are adopted at the United Nations General Assembly by a majority of Member States present and voting. Important questions including recommendations on international peace and security, and the election of members to some United Nations principal organs and budgetary matters, must be decided by a two-thirds majority. While the decisions of the General Assembly have no legally binding force for governments, they carry the weight of world opinion and the moral ...

Resolutions and Decisions Adopted by the General Assembly ...

A United Nations General Assembly Resolution is a decision or declaration voted on by all member states of the United Nations in the General Assembly. General Assembly resolutions usually require a simple majority to pass. However, if the General Assembly determines that the issue is an "important question" by a simple majority vote, then a two-thirds majority is required; "important questions" are those that deal significantly with the maintenance of international peace and security, admission
