Marketing Management: A Relationship Approach. The book is structured around the two main steps involved in marketing management – that is, the decision-making process regarding formulating, implementing and controlling a marketing plan: Step 1: Analysis of the internal and external situation (Parts I and II) Step 2: Planning and implementation of marketing activities (Parts III, IV and V).

Marketing Management: A Relationship Approach - Danish ...

Relationship marketing is a facet of customer relationship management (CRM) that focuses on customer loyalty and long-term customer engagement rather than shorter-term goals like customer acquisition and individual sales. The goal of relationship marketing (or customer relationship marketing) is to create strong, even emotional, customer connections to a brand that can lead to ongoing business, free word-of-mouth promotion and information from customers that can generate leads.

Marketing Management, 3rd edn 3rd edition | 9780273778851 ...

Relationship marketing refers to an arrangement where both the buyer and seller have an interest in a more satisfying exchange. This approach aims to transcend the post-purchase-exchange process with a customer in order to make richer contact by providing a more personalised purchase, using the experience to create stronger ties.
