Review of the new Sony XDCAM PMW-EX3 by Philip Bloom.

©2008 Philip Bloom A lot of people know that I love my EX1, so much so that I now have two. I was lucky enough to get one quite early on and as soon as I put my Letus Extreme on it and started filming with it I fell in love with it. First and foremost I love the lens, the 1/2" sensors and the LCD screen.
