Dwarf-women - Tolkien Gateway

In the fantasy of J. R. R. Tolkien, the Dwarves are a race inhabiting Middle-earth, the central continent of Earth in an imagined mythological past. They are based on the dwarfs of Germanic myths: small humanoids that dwell in mountains, associated with mining, metallurgy, blacksmithing and jewellery. They appear in his books *The Hobbit*, *The Lord of the Rings*, the posthumously published *The Silmarillion*, *Unfinished Tales*, and *The History of Middle-earth* series, the last three edited by his son a

The names have been based on the known dwarven names in the Lord of the Rings universe. However, I did not create a separate male and female name generator, since there is only 1 known female dwarf name (Dis), which is hardly enough to create naming rules. Dis is the only dwarven name that ends in an s though, but there are other dwarven

names which are just as short, like Mim, Ori and Oin, so a short name length isn't restricted to female names.
