The Function of Love in Baldwin's 'Another Country' GRIN Verlag

Seminar paper from the year 2004 in the subject American Studies - Literature, grade: 2,0, University of Tübingen, language: English, abstract: The novel Another Country, published in 1962, was written by James Baldwin, an African-American writer, particularly well known for his social-critical essays. Another

Country, as a fictional work, serves Baldwin to express several ideas formerly developed in his essay writing and so the novel covers a manifold spectrum of social issues, including race, sexuality and finally love. Love as a central topic in Baldwin's *Another Country* has been analysed by several critics and even Baldwin admits candidly that the novel shows "the desperate searches" of its characters "for the self- knowledge and self-esteem - the identity - without which real love is impossible." But how do these themes work in the novel, what does such a love have to look like and what does it have to include for the individual to be "able to learn to see real human beings behind the categories, labels, and prejudices" which are imposed by the loveless in a society. This essay undertakes an approximation to these questions mainly on the basis of the novel, considering some of Baldwin's essays and works of critics such as Lorelei Cederstorm or David Leeming. The first part will focus on an analysis of the relationship with which the novel starts and which can be regarded as a crucial guideline, a "negative touchstone" for the further development and interpretation of the novel. In Part II a short overview of the other relationships of the novel is provided. By doing this, their connection with the first relationship will be illustrated, until finally it will be possible to suggest how the characters succeed or fail in the matter of love, which Baldwin conceives as "[...] a journey two people have to make with each other."

Another Country

Just Above My Head *Delta*

Love and courage bind three extraordinary people--a former child evangelist, a famous gospel singer, and the latter's manager-brother--as they shape and are shaped by the events of the past three decades.

If Beale Street Could Talk *Vintage*

In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions--affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

The Fire Next Time

First published in 1963, James Baldwin's *A Fire Next Time* stabbed at the heart of America's so-called "Negro problem". As remarkable for its masterful prose as it is for its uncompromising account of black experience in the United States, it is considered to this day one of the most articulate and influential expressions of 1960s race relations. The book consists of two essays, "My Dungeon Shook" - Letter to my Nephew on the One Hundredth Anniversary of Emancipation, and "Down At The Cross" - Letter from a Region of My Mind. It weaves thematic threads of love, faith, and family into a candid assault on the hypocrisy of the so-called "land of the free", insisting on the inequality implicit to American society. "You were born where you

were born and faced the future that you faced"; Baldwin writes to his nephew, "because you were black and for no other reason." His profound sense of injustice is matched by a robust belief in "monumental dignity", in patience, empathy, and the possibility of transforming America into "what America must become."

Understanding James Baldwin *Univ of South Carolina Press*

The Harlem-born son of a storefront preacher, James Baldwin died almost thirty years ago, but his spirit lives on in the eloquent and still-relevant musings of his novels, short stories, essays, and poems. What concerned him most—as a black man, as a gay man, as an American—were notions of isolation and disconnection at both the individual and communal level and a conviction that only in the transformative power of love could humanity find any hope of healing its spiritual and social wounds. In *Understanding James Baldwin*, Marc K. Dudley shows that a proper grasp of Baldwin's work begins with a grasp of the times in which he wrote. During a career spanning the civil rights movement and beyond, Baldwin stood at the heart of intellectual and political debate, writing about race, sexual identity, and gendered politics, while traveling the world to promote dialogue on those issues. In surveying the writer's life, Dudley traces the shift in Baldwin's aspirations from occupying the pulpit like his stepfather to becoming a writer amid the turmoil of sexual self-discovery and the harsh realities of American racism and homophobia. The book's analyses of key works in the Baldwin canon—among them, *Go Tell It on the Mountain*, *Giovanni's Room*, "Sonny's Blues," *Another Country*, *The Fire Next Time*, and *The Devil Finds Work*—demonstrate the consistency, contrary to some critics' claims, of Baldwin's vision and thematic concerns. As police violence against people of color, a resurgence in white supremacist rhetoric, and pushback against LGBTQ rights fill today's headlines, James Baldwin's powerful and often-angry words find a new resonance. From early on, Baldwin decried the damning potential of alienation and the persistent bigotry that feeds it. Yet, even as it sometimes wavered, his hope for both the individual and the nation remained intact. In the present historical moment, James Baldwin matters more than ever.

No Name in the Street *Vintage*

An extraordinary history of the turbulent sixties and early seventies that displays James Baldwin's fury and despair more deeply than any of his other works, and powerfully speaks to contemporary conversations around racism. "It contains truth that cannot be denied." — The Atlantic Monthly In this stunningly personal document, James Baldwin remembers in vivid details the Harlem childhood that shaped his early consciousness and the later events that scored his heart with pain—the murders of Martin Luther King and Malcolm X, his sojourns in Europe and in Hollywood, and his return to the American South to confront a violent America face-to-face.

James Baldwin Now *NYU Press*

Since 1989, there have been over 200 post-conviction DNA exonerations in the United States. On the surface, the release of innocent people from prison could be seen as a victory for the criminal justice system: the wrong person went to jail, but the mistake was fixed and the accused set free. A closer look at miscarriages of justice, however, reveals that such errors are not aberrations but deeply revealing, common features of our legal system. The ten original essays in *When Law Fails* view wrongful convictions not as random mistakes but as organic outcomes of a misshaped larger system that is rife with faulty eyewitness identifications, false confessions, biased juries, and racial

discrimination. Distinguished legal thinkers Charles J. Ogletree, Jr., and Austin Sarat have assembled a stellar group of contributors who try to make sense of justice gone wrong and to answer urgent questions. Are miscarriages of justice systemic or symptomatic, or are they mostly idiosyncratic? What are the broader implications of justice gone awry for the ways we think about law? Are there ways of reconceptualizing legal missteps that are particularly useful or illuminating? These instructive essays both address the questions and point the way toward further discussion. *When Law Fails* reveals the dramatic consequences as well as the daily realities of breakdowns in the law's ability to deliver justice swiftly and fairly, and calls on us to look beyond headline-grabbing exonerations to see how failure is embedded in the legal system itself. Once we are able to recognize miscarriages of justice we will be able to begin to fix our broken legal system. Contributors: Douglas A. Berman, Markus D. Dubber, Mary L. Dudziak, Patricia Ewick, Daniel Givelber, Linda Ross Meyer, Charles J. Ogletree, Jr., Austin Sarat, Jonathan Simon, and Robert Weisberg.

Giovanni's Room *Penguin UK*

'Exquisite, a feat of fire-breathing, imaginative daring' Guardian David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him the issues of race, sexuality and personal freedom were eternally intertwined. 'If Van Gogh was our 19th-century artist-saint, James Baldwin is our 20th-century one' Michael Ondaatje 'Baldwin writes of these matters with unusual candour and yet with such dignity and intensity' The New York Times 'Violent, excruciating beauty' San Francisco Chronicle

Gay Men's Literature in the Twentieth Century *NYU Press*

In gay men's writing, tenderness lies side by side with rage; existential rejection of convention rubs shoulders with sexual hedonism. Beginning with Wilde's and Byron's existentialist outlaw, the theme of social rebellion, and the fight against conformity, form a common link among the literary works of the twentieth century. But mainstream academic criticism has shown itself for the most part incapable of engaging gay work without distorting or ignoring its most central features.

Going to Meet the Man/James Baldwin

Nobody Knows My Name

More Notes Of A Native Son *Penguin UK*

Baldwin's early essays have been described as 'an unequalled meditation on what it means to be black in America'. This rich and stimulating collection contains 'Fifth Avenue, Uptown: a Letter from Harlem', polemical pieces on the tragedies inflicted by racial segregation and a poignant account of his first journey to 'the Old Country', the southern states. Yet equally compelling are his 'Notes for a Hypothetical Novel' and personal reflections on being American, on other major artists - Ingmar Bergman and Andre Gide, Norman Mailer and Richard Wright - and on the first great conference of Negro - American writers and artists in Paris. In his introduction Baldwin describes the writer as requiring 'every ounce of stamina he can summon to attempt to look on

himself and the world as they are'; his uncanny ability to do just that is proclaimed on every page of this famous book.

Native Sons *One World*

James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together-the story "Dark Runner" and the play *Equal* in Paris, both published here for the first time. Though a world of difference separated them-Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married, with a growing family to support-the two men shared the same fundamental passion. Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, "You are the only friend with whom I feel comfortable about all three: heart, head, and writing." In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's *Notes of a Native Son*, in which Baldwin's main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin's birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters.

Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of famous essays from such books as: • *Notes of a Native Son* • *Nobody Knows My Name* • *The Fire Next Time* • *No Name in the Street* • *The Devil Finds Work* This collection provides the perfect entrée into Baldwin's prescient commentary on race, sexuality, and identity in an unjust American society.

Begin Again

James Baldwin's America and Its Urgent Lessons for Our Own *Crown*

NEW YORK TIMES BESTSELLER • "A powerful study of how to bear

witness in a moment when America is being called to do the same.”—Time James Baldwin grew disillusioned by the failure of the civil rights movement to force America to confront its lies about race. What can we learn from his struggle in our own moment? Named one of the best books of the year by Time, The Washington Post, and the Chicago Tribune • Winner of the Stowe Prize • Shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice “Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again.”—James Baldwin *Begin Again* is one of the great books on James Baldwin and a powerful reckoning with America’s ongoing failure to confront the lies it tells itself about race. Just as in Baldwin’s “after times,” argues Eddie S. Glaude Jr., when white Americans met the civil rights movement’s call for truth and justice with blind rage and the murders of movement leaders, so in our moment were the Obama presidency and the birth of Black Lives Matter answered with the ascendance of Trump and the violent resurgence of white nationalism. In these brilliant and stirring pages, Glaude finds hope and guidance in Baldwin as he mixes biography—drawn partially from newly uncovered Baldwin interviews—with history, memoir, and poignant analysis of our current moment to reveal the painful cycle of Black resistance and white retrenchment. As Glaude bears witness to the difficult truth of racism’s continued grip on the national soul, *Begin Again* is a searing exploration of the tangled web of race, trauma, and memory, and a powerful interrogation of what we must ask of ourselves in order to call forth a new America.

I Am Not Your Negro

A Major Motion Picture Directed by Raoul Peck *Vintage*

National Bestseller Nominated for the Academy Award for Best Documentary To compose his stunning documentary film *I Am Not Your Negro*, acclaimed filmmaker Raoul Peck mined James Baldwin's published and unpublished oeuvre, selecting passages from his books, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Weaving these texts together, Peck brilliantly imagines the book that Baldwin never wrote. In his final years, Baldwin had envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project have never been published before. Peck's film uses them to jump through time, juxtaposing Baldwin's private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film.

Their Dogs Came with Them

A Novel *Simon and Schuster*

Award-winning author of *Under the Feet of Jesus*, Helena María Viramontes offers a profoundly gritty portrait of everyday life in L.A. in this lyrically muscular, artfully crafted novel. In the barrio of East Los Angeles, a group of unbreakable young women

struggle to find their way through the turbulent urban landscape of the 1960s. Androgynous Turtle is a homeless gang member. Ana devotes herself to a mentally ill brother. Ermila is a teenager poised between childhood and political consciousness. And Tranquilina, the daughter of missionaries, finds hope in faith. In prose that is potent and street tough, Viramontes has choreographed a tragic dance of death and rebirth. Julia Alvarez has called Viramontes "one of the important multicultural voices of American literature." Their Dogs Came with Them further proves the depth and talent of this essential author. Helena María Viramontes is the acclaimed author of *The Moths* and *Other Stories* and *Under the Feet of Jesus*, a novel; and the coeditor, with María Herrera-Sobek, of two collections: *Chicana (W)Rites: On Word and Film* and *Chicana Creativity and Criticism*. The FBI File *Skyhorse*

Available in book form for the first time, the FBI's secret dossier on the legendary and controversial writer. Decades before Black Lives Matter returned James Baldwin to prominence, J. Edgar Hoover's FBI considered the Harlem-born author the most powerful broker between black art and black power. Baldwin's 1,884-page FBI file, covering the period from 1958 to 1974, was the largest compiled on any African American artist of the Civil Rights era. This collection of once-secret documents, never before published in book form, captures the FBI's anxious tracking of Baldwin's writings, phone conversations, and sexual habits—and Baldwin's defiant efforts to spy back at Hoover and his G-men. *James Baldwin: The FBI File* reproduces over one hundred original FBI records, selected by the noted literary historian whose award-winning book, *F.B. Eyes: How J. Edgar Hoover's Ghostreaders Framed African American Literature*, brought renewed attention to bureau surveillance. William J. Maxwell also provides an introduction exploring Baldwin's enduring relevance in the time of Black Lives Matter along with running commentaries that orient the reader and offer historical context, making this book a revealing look at a crucial slice of the American past—and present.

The Ghosts of Eden Park

The Bootleg King, the Women Who Pursued Him, and the Murder That Shocked Jazz-Age America *Broadway Books*

The epic true crime story of the most successful bootlegger in American history and the murder that shocked the nation, from the New York Times bestselling author of *Sin in the Second City* and *Liar, Temptress, Soldier, Spy* In the early days of Prohibition,

long before Al Capone became a household name, a German immigrant named George Remus quits practicing law and starts trafficking whiskey. Within two years he's a multi-millionaire. The press calls him "King of the Bootleggers," writing breathless stories about the Gatsby-esque events he and his glamorous second wife, Imogene, host at their Cincinnati mansion, with party favors ranging from diamond jewelry for the men to brand-new cars for the women. By the summer of 1921, Remus owns 35 percent of all the liquor in the United States. Pioneering prosecutor Mabel Walker Willebrandt is determined to bring him down. Willebrandt's bosses at the Justice Department hired her right out of law school, assuming she'd pose no real threat to the cozy relationship they maintain with Remus. Eager to prove them wrong, she dispatches her best investigator, Franklin Dodge, to look into his empire. It's a decision with deadly consequences. With the fledgling FBI on the case, Remus is quickly imprisoned for violating the Volstead Act. Her husband behind bars, Imogene begins an affair with Dodge. Together, they plot to ruin Remus, sparking a bitter feud that soon reaches the highest levels of government--and that can only end in murder. Combining deep historical research with novelistic flair, *The Ghosts of Eden Park* is the unforgettable, stranger-than-fiction story of a rags-to-riches entrepreneur and a long-forgotten heroine, of the excesses and absurdities of the Jazz Age, and of the infinite human capacity to deceive. Advance praise for *The Ghosts of Eden Park* "Prose so rich and evocative, you feel you're living the story--and full of lots of 'I didn't know that' moments. Gatsby-era noir at its best."--Erik Larson, #1 New York Times bestselling author of *Dead Wake* and *Devil in the White City* "Few authors write as colorfully and compellingly about the past as Karen Abbott, particularly when bad behavior is involved. In *The Ghosts of Eden Park*, we meet the audacious, larger-than-life 'King of the Bootleggers,' George Remus, and the equally fascinating women who will seal his fate. Sex and greed, corruption and revenge, oceans of illegal booze--Abbott's action-packed, riveting tale has it all."--Paula McLain, New York Times bestselling author of *The Paris Wife* and *Love and Ruin*

James Baldwin: Collected Essays (LOA #98)

Notes of a Native Son / Nobody Knows My Name / The Fire Next Time / No Name in the Street / The Devil Finds Work *Library of America James Baldwin Edition*

A comprehensive compilation of Baldwin's previously published, nonfiction writings encompasses essays on America's racial divide, the social and political turbulence of his time, and his insights into the poetry of Langston Hughes and the music of Earl Hines.

Atlas Shrugged *Penguin*

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a

beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

The Evidence of Things Not Seen

Why Writing Matters *Yale University Press*

Drawing lessons from writers of all ages and writing across genres, a distinguished teacher and writer reveals the enduring importance of writing for our time In this new contribution to Yale University Press's Why X Matters series, a distinguished writer and scholar tackles central questions of the discipline of writing. Drawing on his own experience with mentors such as John Updike, John Gardner, and James Baldwin, and in turn having taught such rising stars as Jesmyn Ward, Delbanco looks in particular at questions of influence and the contradictory, simultaneous impulses toward imitation and originality. Part memoir, part literary history, and part analysis, this unique text will resonate with students, writers, writing teachers, and bibliophiles.

Go Tell It on the Mountain *Vintage*

In one of the greatest American classics, Baldwin chronicles a fourteen-year-old boy's discovery of the terms of his identity. Baldwin's rendering of his protagonist's spiritual, sexual, and moral struggle of self-invention opened new possibilities in the American language and in the way Americans understand themselves. With lyrical precision, psychological directness, resonating symbolic power, and a rage that is at once unrelenting and compassionate, Baldwin tells the story of the stepson of the minister of a storefront Pentecostal church in Harlem one Saturday in March of 1935. Originally published in 1953, Baldwin said of his first novel, "Mountain is the book I had to write if I was ever going to write anything else." "With vivid imagery, with lavish attention to details ... [a] feverish story." —The New York Times

One Day When I Was Lost *Vintage*

A rare, lucidly composed screenplay from one of America's greatest writers, based on the bestselling classic *The Autobiography of Malcolm X*. The Times Literary Supplement praises "the depth and sincerity of Baldwin's admiration for Malcolm X." Son of a Baptist minister; New York City hustler; honor student; convicted criminal; powerful minister in the Nation

of Islam; father and husband: Malcolm X transformed himself, time and again, in order to become one of the most feared, loved, and undeniably charismatic leaders of twentieth-century America. No one better represents the tumultuous times of his generation, and there is no one better to capture him and his milieu than James Baldwin. With spare, elegant, yet forceful dialogue and fresh, precise camera directions, Baldwin breathes cinematic life into this controversial and important figure, offering a new look at a man who changed himself in order to change the country.

Sea Stories

My Life in Special Operations *Grand Central Publishing*

Following the success of his #1 New York Times bestseller *Make Your Bed*, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory, including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. *Sea Stories* begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. *Sea Stories* is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling *Make Your Bed*, *Sea Stories* is a remarkable memoir from one of America's most accomplished leaders.

Why We Can't Sleep

Women's New Midlife Crisis *Grove Press*

When Ada Calhoun found herself in the throes of a midlife crisis, she thought that she had no right to complain. She was married with children and a good career. So why did she feel miserable? And why did it seem that other Generation X women were miserable, too? Calhoun decided to find some answers. She looked into housing costs, HR trends, credit card debt averages, and divorce data. At every turn, she saw a pattern: sandwiched between the Boomers and the Millennials, Gen X women were facing new problems as they entered middle age, problems that were being largely overlooked. Speaking with women across America about their experiences as the generation raised to "have it all," Calhoun found that most were exhausted, terrified about money, under-employed, and overwhelmed. Instead of their issues being heard, they were told instead to lean in, take "me-time," or make a chore chart to get their lives and homes in order. In *Why We Can't Sleep*, Calhoun opens up the cultural and political contexts of Gen X's predicament and offers solutions for how to pull oneself out of the abyss—and keep the next generation of women from falling in. The result is reassuring, empowering, and essential reading for all middle-aged women, and anyone who hopes to understand them.
