Democracy & Its Critics | Study at King's | King's College ...

Criticism of democracy is grounded in democracy's purpose, process and outcomes. Since Classical antiquity and through the modern era, democracy has been associated with "rule of the people," "rule of the majority," and free selection or election either through direct participation or elected representation respectively. Political thinkers approach their critique of democracy from different perspectives. Many do not necessarily oppose democracy—"rule of the people"—but, rather, seek to ...
