This is a prequel, but Victorious Star was written first, and is a longer, more complex book, which allows a bit more depth in explaining the worldbuilding. I'd have to say read Victorious Star first. None of the Interstellar Service and Discipline books are for the even slightly faint of heart. Read the publisher's warning.

There are 3 books in the series so far and I would recommend you read Lost Star, then Fallen Star, then Victorious Star, in that order. Be aware that the Interstellar Service & Discipline series has some male/male romance that happens along with m/f/m, so if you are opposed to that, then this is probably not something you want to read.
