Believing God *B&H Publishing Group*

“Is it working? Your belief system, that is. Is it really working? God’s intention all along has been for the believer’s life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For

countless Christians I’m convinced it’s real. My concern is whether or not we have the fruit to suggest it works.”—Beth Moore; *Believing God*

When Godly People Do Ungodly Things

Finding Authentic Restoration in the Age of Seduction *B&H Publishing Group*

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of

Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When *Godly People Do Ungodly Things* will be a guide to authentic repentance and restoration.
