De minimis is a Latin term that means a negligible amount. When we refer to the de minimis level under the proposed CUSMA, we're talking about the value of shipments below a value deemed negligible. This makes them exempt from duty or taxes. Canada's current de minimis level is CDN\$20. Right now, packages with a value of \$19.99 or less imported from another country can enter Canada without ...

Building children's number fluency is important in the early years and our Two Numbers games can help! When playing Two Numbers games, children are recognizing written numerals, arranging numbers in the correct order, and practicing early addition skills.. To play, lay out a set of numeral cards and have children roll 1-2 dot cubes.
