Opening Doors Within

365 Daily Meditations from Findhorn *Simon and Schuster*

A new edition of the much-loved perennial meditation diary whose messages radiate spiritual wisdom, encouragement and serenity throughout the year • Provides messages of spiritual insight and guidance for every day of the year from Eileen Caddy, co-founder of the Findhorn Community • Offers specific suggestions for your daily spiritual growth and development • Includes a new introduction by Jonathan Caddy, one of Eileen's sons, who adds a fresh perspective to the profound influence this guidance can have One of the much-loved books of Eileen Caddy (1917-2006), co-founder of the Findhorn Community in Scotland, Opening Doors Within is a perennial meditation diary offering down-to-earth inspirational messages of spiritual guidance for every day of the year. For over 35 years, people have used these practical teachings that offer advice on achieving

stillness, faith, and fulfillment. Specific suggestions for your daily spiritual growth and development enhance the impact of the supportive words. Eileen's brief messages, from what she called "the still, small voice within," offer inspirational, uplifting, and powerful words of love and support. Her daily guidance was the bedrock of the early Findhorn Community, and the concept of "inner listening" is still very much part of individual and community practice there today. The encouraging and practical messages speak to those embarking upon the journey to find their divine inner self and spiritual truth. Anyone who meditates--whether inexperienced or seasoned--will find the wisdom shared both insightful and heartening. A new foreword by Jonathan Caddy, Eileen's son who lives in the Findhorn Community, adds a fresh perspective to the profound influence this guidance can have. No matter how you use the wisdom shared in this small book, take these teachings into yourself and carry them within you, until they have done their silent, gentle, and loving work of opening the doors within.

Operations Management

Goods, Services and Value Chains *South-Western Pub*

This exciting new textbook provides exceptional coverage of the essential topics taught in a modern operations management course. Its highly current coverage includes contemporary and relevant service theory and applications. Appropriate manufacturing applications and theory are included where relevant. The book's modern/strategic approach addresses OM from a cross-functional perspective, which views operations as linked to all other functional areas of an organization, such as marketing and finance. The strategic approach takes into consideration the integration of technology and how it changes the way a firm operates. Recognition of this current trend is the main differentiating factor for this Collier/Evans text. The book provides equal coverage of manufacturing and services theory and applications, while placing an emphasis on the integration of the value chain.
