This manual has become the definitive training resource for cleaning company owners. In it, I reveal everything I know and teach my clients. I hold back NOTHING. Within its page is everything you need to leave your competition in the dust, delight your customers and make your company sparkle.

Domestic Training Manual - The Cleaning Coach

An Interactive Training Approach An active class setting should mimic real-life cleaning scenarios in which new employees are expected to master. Trainers and students

should be given the supplies, surfaces, and fabrics they will interact with on a daily basis. So they can practice the physical actions required for each task.

An Effective Training Manual for Cleaning Services | Polo ...

When I started my cleaning business, my plan was to hire workers when the time was right, so I spent time along the way to document my cleaning procedures. This saved me a lot of time trying to do it all at once. Your training manual ensures that all your workers are using the same procedures you used to build your client base. You also need an employee manual which provides information about your business that

employees need to follow, such as start time, benefits, etc.
