Medieval medicine in Western Europe was composed of a mixture of existing ideas from antiquity. In

the Early Middle Ages, following the fall of the Western Roman Empire, standard medical knowledge was based chiefly upon surviving Greek and Roman texts, preserved in monasteries and elsewhere. Medieval medicine is widely misunderstood, thought of as a uniform attitude composed of placing hopes in the church and God to heal all sicknesses, while sickness itself exists as a product of destiny ...

MEDIEVAL WELSH MEDICAL TEXTS
Yet in early medieval society, spells and charms were likened to blessings, designed to invoke the healing powers of the divine. Magic was seen as a healing extension of holiness. We think of charms or amulets as being physical objects, and spells as being something spoken, but these definitions are looser in medieval times.
