Preserving and promoting fair competition practice. The EU's rules on competition are designed to ensure fair and equal conditions for businesses, while leaving space for innovation, unified standards, and the development of small businesses. The European Commission monitors and investigates anti-competition practices, mergers and state aid to ensure a level playing field for EU businesses, while

guaranteeing choice and fair pricing for consumers.

Competition | European Union

The European Commission has revised its rules on when competing companies can co-operate to set technical standards without prompting a competition investigation. The Commission enforces EU competition law, which restricts cooperation between competing companies for fear that they will fix prices or establish cartels.
