Medieval Art - Marilyn Stokstad - Google Books

This is not the best book on Medieval art out there. I had to read it for a class. It's serviceable but doesn't really give a good sense of how the medieval world worked. As well, it spends a lot of time dealing with the transition from antiquity to the middle ages. It doesn't have much to say about the High Middle ages. One very noticeable deficit in this book (as well as many other textbooks ...
