G L Ray Extension Communication And Management

Reading extension and communication management is a fine habit; you can build this need to be such an engaging way. Yeah, reading craving will not isolated create you have any favourite activity. It will be one of opinion of your life. when reading has become a habit, you will not make it as disturbing actions or as tiring activity.

Extension And Communication

Management

Communication - the sharing of ideas and information - forms a large part of the extension agent's job. By passing on ideas, advice and information, he hopes to influence the decisions of farmers. He may also wish to encourage farmers to communicate with one another; the sharing of problems and ideas is an important stage in planning group or village activities.

4. Extension and communication - Food and Agriculture ...

Communication refers to the process by which information is exchanged between two or more people (increasingly, machines are also included in communication, but we limit the discussion here to communication

between people). Each of the management roles—planning, organizing, leading, and controlling—depends on effective communication.

Communication and Management | Principles of Management

The extension agent communicates with the people in groups and not as individual persons. Examples are group meeting, small group training, field day or farmers' day, study tour etc. Mass contact: The extension agent communicates with a mass of people, without taking into consideration their individual or group identity.

Extension Communication System | Management

The fundamental objective of Home Science extension education is the 'development of the people' or 'the destination man'. The general objectives of extension education and communication management include 1. To assist people to discover and analyze their problems, their felt and unfelt needs.
