In this "fast-paced, morbidly addictive novel of chilling infatuation" (Iain Reid, bestselling author of I'm Thinking of Ending Things)—perfect for fans of Caroline Kepnes's Hidden Bodies and Jeff Lindsay's Dexter series—a family man with a habit of digging up the past catches the attention of a serial killer who is determined to keep his secrets uncovered. For years, unbeknownst to his wife and teenage daughter, Martin Reese has been illegally buying police files on serial killers and obsessively studying them, using them as guides to find the missing bodies of victims. He doesn't take any souvenirs, just photos that he stores in an old laptop, and then he turns in the results anonymously. Martin sees his work as a public service, a righting of wrongs. Detective Sandra Whittal sees the situation differently. On a meteoric rise in police ranks due to her case-closing efficiency, Whittal is suspicious of the mysterious source she calls the Finder, especially since he keeps leading the police right to the bodies. How can he know where all these bodies are located if he's not the one putting them there? On his latest dig, Martin searches for the first kill of Jason Shurn, the early 1990s murderer who may have been responsible for the disappearance of his wife's sister. But when he arrives at the site, he finds more than just bones. There's a freshly killed body—a young and missing Seattle woman—lying there. Someone else knew where Jason Shurn left the corpses of his victims...and that someone isn't happy that Martin has been going around digging up his work. And when a crooked cop with a tenuous tie to Martin vanishes,

Introduction by Gillian Flynn • Afterword by Patton Oswalt “A
brilliant genre-buster.... Propulsive, can’t-stop-now reading.”
—Stephen King For more than ten years, a mysterious and violent

predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called "the Golden State Killer." Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I'll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman's obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

I Find Your Lack of Faith Disturbing *Farrar, Straus and Giroux*
 "Funny, incisive, and timely ... Jameson does for geeks what geek culture does for its superheroes: he takes them seriously, respects their power, and refuses to hide his deep affection."
 —Lawrence Kasdan, co-screenwriter of *The Empire Strikes Back*, *Return of the Jedi*, *The Force Awakens*, and *Solo: A Star Wars Story*
 In *I Find Your Lack of Faith Disturbing*, A. D. Jameson takes geeks and non-geeks alike on a surprising and insightful journey through the science fiction, fantasy, and superhero franchises that now dominate pop culture. Walking us through the rise of geekdom from its underground origins to the top of the box office and bestseller lists, Jameson takes in franchises like *The Lord of the Rings*, *Guardians of the Galaxy*, *Harry Potter*, *Star Trek*, and, in particular, *Star Wars*—as well as phenomena like fan fiction, cosplay, and YouTube parodies. Along the way, he blasts through the clichés surrounding geek culture: that its fans are mindless consumers who will embrace all things Spider-Man or Batman, regardless of quality; or that the popularity and financial success of *Star Wars* led to the death of ambitious filmmaking. A lifelong geek, Jameson shines a new light on beloved classics, explaining the enormous love (and hate) they are capable of inspiring in fan and non-fan alike, while exploding misconceptions as to how and why they were made. *I Find Your Lack of Faith Disturbing* tells the story of how the geeks have inherited the earth.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around

yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

The Dark Hours *Little, Brown*

A Wall Street Journal and South Florida Sun-Sentinel Best Book of the Year "A masterpiece"—LAPD detective Renée Ballard must join forces with Harry Bosch to find justice in a city scarred by fear and social unrest after a methodical killer strikes on New Year's Eve (Publishers Weekly). There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill

to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, The Dark Hours shows that "relentless on their own, Ballard's and Bosch's combined skills...could be combustible" (Los Angeles Times).

The Most Dangerous Game *Open Road Media*

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and

superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book *Don't Let Me Be Lonely: An American Lyric*. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer

field with Zinedine Zidane, online, on TV-everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named “post-race” society.

Marked *Createspace Independent Publishing Platform*

Welcome to my fucking world. My name is Kaston Cox and I'm a criminal's worst nightmare. Most people run from darkness, but I live in it, require it, and thrive in the night. Some call me a monster, some a lover of evil, and others, the devil himself, but they're all wrong. I'm just a shadow in the dark. I speak for the innocent when no one else will. Once I have marked you, you better beg for forgiveness, because your time has run out... Revenge is the ultimate wage for evil. Some just can't stomach to do it themselves. That's where I come in. I am the ultimate judge when called upon for justice. I will decide who lives and who dies. Blood may be on my hands, but it's not the blood of the innocent. Remorse is nowhere to be found. I don't give a shit if you understand. I can live with the man I look at every day in the mirror. My soul was tainted the day I was conceived. You think you know me? You have no fucking idea. I am who I am because of what they did to her, and to him. They were my family. This was the only form of restitution he believed in. I owed him everything. I took over the empire he built. This is how I repay him. There was only one rule: never allow emotions to form. Numb and heartless are the only two ways to live. What I never included in the plan...was her. My name is Lux Larsen. My life is as perfect as it can get. I'm a partier, a seductress when it comes to something that I want, and the ultimate sexual con artist. I use my body to get what I want and I'm not ashamed. Designer tags

are what I'm after. I love sex. I'm good at it. Fuck double standards. Guys can do it, well guess what, so can I. I will never be caught back on the other side of the tracks for as long as I live. I left that hellhole years ago. I'll do anything to stay away. You can call me a whore if you want, but I just look at it as I've decided to become a player in a man's game, and I'm a fucking pro at it. Love is for the weak minded. Weak is something I'll never be. I never anticipated the predator that would find me. I'm now his prey...but I'm not sure I can run. The world likes to think that love is only pure, only for those that do good, but what no one considers is when bad has to be done to formulate a different type of good. Two of the most random people can be a perfect match, being placed together like pieces to a puzzle. Being in the wrong place at the right time can be terrifying and it can also be exactly what is supposed to happen, because sometimes...love is born in the dark.

The Village Blacksmith *Candlewick Press (MA)*

A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening, takes a well-deserved rest. Longfellow's timeless poem is enhanced by G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.

BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. **WARNING:** This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

Curry *Coach House Books*

No two curries are the same. This Curry asks why the dish is supposed to represent everything brown people eat, read, and do. Curry is a dish that doesn't quite exist, but, as this hilarious

and sharp essay points out, a dish that doesn't properly exist can have infinite, equally authentic variations. By grappling with novels, recipes, travelogues, pop culture, and his own background, Naben Ruthnum depicts how the distinctive taste of curry has often become maladroit shorthand for brown identity. With the sardonic wit of Gita Mehta's *Karma Cola* and the refined, obsessive palette of Bill Buford's *Heat*, Ruthnum sinks his teeth into the story of how the beloved flavour calcified into an aesthetic genre that limits the imaginations of writers, readers, and eaters. Following in the footsteps of Salman Rushdie's *Imaginary Homelands*, Curry cracks open anew the staid narrative of an authentically Indian diasporic experience.

Light in the Darkness *Little, Brown Books for Young Readers*
Rosa and her mama go to school together—in the dark of night, silently, afraid that any noise they hear is a patroller on the lookout for escaped slaves. Their school is literally a hole in the ground, where they and other slaves of all ages gather to form letters out of sticks, scratch letters in the dirt, and pronounce their sounds in whispers. Young Rosa is eager to learn the letters and then the words, because after the words comes reading. But she must have patience, her mama reminds her, and keep her letters to herself when she's working on the plantation. If the Master catches them, it'll mean a whipping—one lash for each letter. No matter how slow and dangerous the process might be, Rosa is determined to learn, and pass on her learning to others.
