I was skeptical, but excited about this television as RCA has been slow getting to the new market. For \$499 for 46 inches I had to take a chance, and am very glad I did. The quality is amazing, 1080P, but my shows run in 720P and 480i and still are vivid and clear. Got a new xbox to go with it and it does run in 1080P and looks amazing.
