The Shapes Of Things A

"Shapes of Things" is a song by the English rock group the Yardbirds. With its Eastern-sounding, feedback-laden guitar solo and anti-war/pro-environmental lyrics, several music writers have identified it as the first popular psychedelic rock song. It is built on musical elements contributed by several group members in three different recording studios in the US and was the first Yardbirds' composition to become a record chart hit. When it was released as a single on 25 February 1966, the song re

The two-disc anthology Shapes of Things: The Best of the Yardbirds is a comprehensive collection that captures the key moments of the band's short but seminal history more authoritatively than anything short of a full-blown box set could. The A- and B-sides of all the Yardbirds' singles are here, as well as plenty of key album cuts, from the celebrated to the underappreciated.
