Cane Open Road Media

A lyrical "groundbreaking work" of the Harlem Renaissance, praised by writers from Langston Hughes to Maya Angelou and Alice Walker (The Washington Post). "It would be good to hear their songs . . . reapers of the sweet-stalked cane, cutters of the corn . . . even though their throats cracked, and the strangeness of their voices deafened me." —"Harvest Song," Jean Toomer Published in 1923, Jean Toomer's *Cane* has long been recognized as a pioneering work in African American literature. Employing a modernist, nontraditional structure of thematically linked prose vignettes, poems, and dialogue presented in evocative, often mournful lyrical tones, Toomer created a unique impressionistic

mosaic of the inner lives of African Americans in the early twentieth century, encompassing the rural South and the urban North. Deeply felt and beautifully expressed, Toomer's masterpiece continues to resonate almost a century after it was written. "[*Cane*] has been reverberating in me to an astonishing degree. I love it passionately; could not possibly exit without it." — Alice Walker "A breakthrough in prose and poetical

writing This book should be on all readers' and writers' desks and in their minds." — Maya Angelou Hailed by critics for its literary experimentation and vivid portrayal of African-American characters and culture, Cane represents one of the earliest expressions of the Harlem Renaissance. Combining poetry, drama, and storytelling, it contrasts life in an African-American community in the rural South with that of the urban North. Author Jean Toomer (1894–1967) drew upon his experiences as a teacher in rural Georgia to create a variety of Southern psychological realism that ranks alongside the best works of William Faulkner. The book's three-part structure, ranging from South to North and back again, is united by its focus on the lives of African-American men and women in a world of bigotry, violence, passion, and tenderness.

Teaching Jean Toomer's 1923 Cane *Peter Lang*

Cane one of the major works of the Harlem Renaissance and Jean Toomer's imagist masterpiece, is now a part of the canon in Afro-American literature. Teaching Jean Toomer's 1923 Cane is a unique literary tool that explores the brilliance and far-sighted vision of Toomer, allowing Cane to be taught holistically as a discovery process, using the blues motif and the poetic essay. This book's text and figures ground a discussion of Cane's enigmatic and figurative language, connecting the Harlem Renaissance to the Negritude Movement and to later Afro-centric literary movements. This book also reviews P.B.S. Pinchback's legacy as a non-Negro, able to pass easily in white society, the influence of Ouspensky, H. L. Mencken's critical work, The Paris Brotherhood, and «Saccabarum

officinarum-G.» Like the lunar arcs dividing Cane, the book works as an instructional map. The pictures from the first complete production also tell a remarkable story.

Beauty in Jean Toomer's 'Cane' *GRIN Verlag*

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: A (1), Southern Connecticut State University (English Department), course: The Harlem Renaissance, language: English, abstract: Jean Toomer is one of the leading figures in the Harlem Renaissance. His major contribution to literature is Cane, a novel comprised of poetry and prose. Cane's structure is of three parts. The first third of the book is devoted to the black experience in the Southern farmland. The characters inhabiting this portion of the book are faced with an inability to succeed. The second part of Cane is more urban oriented and concerned with Northern life. The writing style throughout is much the same as the initial section with poetry interspersed with stories. The concluding third of the novel is a prose piece entitled "Kabnis" and can be regarded as a synthesis of the earlier sections. Cane is therefore designed as a circle. Aesthetically, it goes from simple forms to complex ones and then back to simple forms. Regionally, it goes from the South up into the North, and back into the South again. The emphasis of Cane is on characters as well as on setting. The sections entitled "Karintha," "Becky," "Carma," "Fern," "Esther," "Rhoert," "Avey," and "Bona and Paul" illustrate psychological realism and truths about human nature. The reader is drawn into the characters' lives, and learns by sharing their everyday trials

and feelings. Their characterizations become indistinguishably merged with the landscape that surrounds them. Characteristically, beauty functions as a deceptive tool in Cane. Flowers, women, and the word, all of which generally represent beauty, are reduced to emblems lacking dimension in Toomer's text. Meaning is flawed and violated. The reader is intentionally deceived by the forms of beauty and left with absence instead of significance. By means of linking beautiful images with violent, explosive, and disturbing thematic openings, Toomer confuses his readers' sense of meaning. In Cane, Toomer moves the reader with deeply beautiful and intricate language by exploring many different kinds of beauty, such as the abstract qualities of aestheticism, the intimacy of nature's beauty and the immediacy of human beauty. However, though Toomer begins many of his pictures with seemingly beautiful imagery or qualifies a female character in his writing by her beauty, the breakdown of the aesthetic within his work is widespread. Although beauty seems to be in proportion with reality it is rather distorted. It gives way to nightmarish images and relationships. [...]

The Collected Poems of Jean Toomer
UNC Press Books

Poems from each of four distinct periods of Toomer's career deal with nature, travel, cities, country life, love, religion, and hope

Jean Toomer *University of Illinois Press*
The 1923 publication of Cane established Jean Toomer as a modernist master and one of the key literary figures of the emerging Harlem Renaissance. Though critics and

biographers alike have praised his artistic experimentation and unflinching eyewitness portraits of Jim Crow violence, few seem to recognize how much Toomer's interest in class struggle, catalyzed by the Russian Revolution and the post-World War One radical upsurge, situate his masterwork in its immediate historical context. In Jean Toomer: Race, Repression, and Revolution, Barbara Foley explores Toomer's political and intellectual connections with socialism, the New Negro movement, and the project of Young America. Examining his rarely scrutinized early creative and journalistic writings, as well as unpublished versions of his autobiography, she recreates the complex and contradictory consciousness that produced Cane. Foley's discussion of political repression runs parallel with a portrait of repression on a personal level. Examining family secrets heretofore unexplored in Toomer scholarship, she traces their sporadic surfacing in Cane. Toomer's text, she argues, exhibits a political unconscious that is at once public and private.

A Jean Toomer Reader *Oxford University Press on Demand*
Jean Toomer achieved instant recognition as a critic and thinker in

1923 with the publication of his novel *Cane*, a harsh, eloquent vision of black American hardship and suffering. But because of his reclusive, introspective nature, Toomer's fame waned in later years, and today his other contributions to American thought and literature are all but forgotten. Now, this collection of unpublished writings restores a crucial dimension to our understanding of this important African American author. Thematically arranging letters, sketches, poems, autobiography, short stories, a play, and a children's story, Frederik Rusch offers insight into Toomer's mind and spirituality, his feelings on racial identity in America, and his attitudes toward and ideas about *Cane*. Rusch highlights Toomer's reflections on America, its people, landscape, and politics, reveals his significance for the problems and issues of today, and helps us understand Toomer not only as writer, but also as social critic, prophet, mystic, and idealist. Exploring Toomer's attempts to find self-realization and transcend social and cultural definitions of race, this book offers a unique view of the United States through the life of one of its most significant and fascinating intellectuals.

JEAN TOOMER'S "CANE" : HIS SEARCH FOR THE INTEGRATED MAN.

Cane (New Edition) *W. W. Norton & Company*

"A breakthrough in prose and poetical writing. . . . This book should be on all readers' and writers' desks and in their minds."—Maya Angelou First published in 1923, Jean Toomer's *Cane* is an innovative literary work—part drama, part poetry, part fiction—powerfully evoking black life in the South. Rich in imagery, Toomer's impressionistic,

sometimes surrealistic sketches of Southern rural and urban life are permeated by visions of smoke, sugarcane, dusk, and fire; the northern world is pictured as a harsher reality of asphalt streets. This iconic work of American literature is published with a new afterword by Rudolph Byrd of Emory University and Henry Louis Gates Jr. of Harvard University, who provide groundbreaking biographical information on Toomer, place his writing within the context of American modernism and the Harlem Renaissance, and examine his shifting claims about his own race and his pioneering critique of race as a scientific or biological concept.

Cane Standard Ebooks

Published in 1923, Jean Toomer's *Cane* was widely heralded as one of the first masterpieces of the Harlem Renaissance, and its author as "a bright morning star" of the movement. Toomer himself, however, was reluctant to embrace an explicitly racialized identity, preferring to define himself as simply an American writer. Inspired in part by Sherwood Anderson's short story cycle *Winesburg, Ohio*, Toomer conceived *Cane* as a mosaic of intricately connected vignettes, poems, stories, songs, and even play-like dialogues. Drawing on both modernist poetry and African-American spirituals, Toomer imbues each form with a lyrical and often experimental sensibility. The work is structured in three distinct but unnamed parts. The first is set in rural Georgia and focuses on the lives of women and the men who desire them. The second part moves to the urban enclaves of the North in the years following the Great Migration. The third and final part returns to the rural South and explores the interactions between

African-Americans from the North and those living in the South. Although sales languished in the later years of Toomer's life, the book was reissued after his death and rediscovered by a new generation of American writers. Alice Walker described *Cane* as one of the most important books in her own development as a writer: "I love it passionately, could not possibly exist without it." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Imagery of Jean Toomer's *Cane*

Cane

Cane is a 1923 novel by noted Harlem Renaissance author Jean Toomer. The novel is structured as a series of vignettes revolving around the origins and experiences of African Americans in the United States. The vignettes alternate in structure between narrative prose, poetry, and play-like passages of dialogue. As a result, the novel has been classified as a composite novel or as a short story cycle. Though some characters and situations recur between vignettes, the vignettes are mostly freestanding, tied to the other vignettes thematically and contextually more than through specific plot details. The ambitious, nontraditional structure of the novel - and its later influence on future generations of writers - have helped *Cane* gain status as a classic of modernism. Several of the vignettes have been excerpted or anthologized in literary collections; the poetic passage "Harvest Song" has been included in multiple Norton poetry anthologies. The poem opens with the line: "I am a reaper whose muscles set at sundown."

Jean Toomer and the Harlem Renaissance

Jean Toomer's novel *Cane* has been hailed as the harbinger of the Harlem Renaissance and as a model for modernist writing, yet it eludes categorization and its author remains an enigmatic and controversial figure in American literature. The present collection of essays by European and American scholars gives a fresh perspective by using sources made available only in recent years, highlighting Toomer's bold experimentations, as well as his often ambiguous responses to the questions of his time. Some of the essays achieve this through close readings of the text, leading to new and challenging interpretations of Toomer's transcendence of genres and styles. Others show how the publication of *Cane* and his later writings placed Toomer at the heart of contemporary ideological and artistic debates: race and identity, the negro writer and the white literary world, primitivism and modernism.
