1st NY Engineer Regiment during the Civil War - NY ...

During the Civil War, many transferred or assumed positions, which superseded their duties as engineers. Needless to say, logistics and engineering were in short supply when the Confederates fired on Ft. Sumter. When the Civil War caused a need for volunteer troops, these engineers and pioneers were not enough to go around.

Crossed Hatchets and Detached Service: The Creation of the ...

The innovations employed by the Confederate engineer units during the Civil War were remarkable. Field fortifications dominated the Confederate defensive operations and were extensively employed in their offensive operations. A zigzag system of trenches, which had never been used in field operations, protected the approach.

Engines of Rebellion: Confederate Ironclads and Steam ...

engineers in the civil war The U.S. Regular Army and five Union states organized a total of 13 engineer regiments, 1 engineer battalion, and 7 engineer companies for duty during the Civil War. New York furnished volunteers for 4 of these engineer

regiments: the 1st, 2nd, 15th, and 50th.

Regimental History - 1st New York Volunteer Engineers

During the Civil War, the Union troops fought almost the entire war in the South. Thomas F. Army, Jr. argues in his new book Engineering Victory: How Technology Won the Civil War published by Johns Hopkins University Press that the Union's engineering prowess during Civil War gave it an distinct advantage over the Confederacy. Due to a superior education system, Northern armies had individuals who could use scientific ingenuity and innovation to rapidly build and repair roads, bridges, railways.

Engineering Victory during the Civil War: Interview with ...

As the design of civilian structures such as bridges and buildings developed as a technical discipline, the term civil engineering entered the lexicon as a way to distinguish between those specializing in the construction of such non-military projects and those involved in the older discipline. As the prevalence of civil engineering outstripped engineering in a military context and the number of disciplines expanded, the original military meaning of the word "engineering" is now largely ...
