No Concept is the next stage of their evolution. Wiping the slate clean with a brand new name, Brian and Russ are coming with a fresh new approach without any thought for sub-genre constraints or preconceptions. Each one of their releases comes loaded with unpredictability coming, as it might, from any part of the drum 'n' bass spectrum.

"In American public discourse, perhaps no concept is more misunderstood than the notion of separation of church and state," Barr said. "Militant secularists have long seized on that slogan as a facile justification for attempting to drive religion from the public square and to exclude religious people from bringing a religious perspective ...
