Bmw 335i Coupe Manual Vs

Curious, what are some of the feature differences between the 335i between the sedan and the coupe aside from the obvious ones. Ones I've found so far just from the build app on BMW are: 1) Sedan has adaptive lighting. Coupe does not. 2) Coupe has LED lighting. Sedan does not. 3) Sedan has bi-xenon lighting. Coupe does not. 4) Sedan has memory ...

Feature Differences between 335i Sedan vs Coupe ...

The 0-60 time is going to be faster in a manual than in the automatic. The manual can rev and get a better launch than the automatic if spinning is

kept to a minimum. My 98 M3 is a 5 speed automatic. From a start a manual could take me, but on the interstate the automatic can shift faster than most people with a manual.

Which is faster? Steptronic or Manual? (for a BMW 335i ...

The BMW 328i Vs the BMW 335i by Justin Cupler . Bryan Mitchell/Getty Images News/Getty Images. The BMW 3 Series has long been an icon in the luxury car segment, and it continues this status as it enters the 2014 model year. For 2014, the 3 Series loses its coupe and convertible body styles, as the new 4 Series takes over these key segments. The 2014 BMW 3

Series comes in four main variants ...

After testing BMW 135i and 335i coupes back-

to-back, I can reveal that there are only two good reasons to purchase the smaller, cheaper car. Either you need a track day machine or you're an idiot. Otherwise, spend the extra bucks and buy the 335i coupe. The 335i coupe is more attractive, more enjoyable to drive, holds its value better and offers far more real road usability than the 135i.

2008 BMW 135i vs. 335i Review - The Truth About Cars

As for the 328 vs 335, I recommend it your case a 335 since you consider power so highly. Also, the 335i comes with Xenon stock and a much nicer stock engine note, and you'll recover a good part of the 6000\$ difference at resale.

However having said that, I just wouldn't want to have a 335i out of warranty.
