How Change Happens

How Change Happens is a new book from Duncan Green which explores the major themes that make change happen in the world. Whether you are an activist, campaigner, development practitioner, lobbyist, entrepreneur, individual or an organisation, it seeks to understand how power and systems shape change, and how you can influence them.

How Change Happens - Duncan Green

How Change Happens explains why some of the most significant 21 st century shifts happened. By studying the movements behind many important causes—from LGBT marriage equality and tobacco control, to gun rights expansion, acid rain reduction and more, author Leslie Crutchfield explores how society came to celebrate gay weddings and ban smoking in public, and at the same time allow guns to be carried in most U.S. states, and friends won't let each other drive drunk.

How Change Happens by author Leslie R. Crutchfield

How Change Happens contains the accumulated experience of years spent engaged in the field, researching and writing about reducing poverty and combating injustice and, as the author says, trying to, "do justice to the complexity of the world, while still believing there is a story about how it can be changed for the better."
